CHRYSLER GROUP, LLC,

Defendant.

Case. No.

FILED UNDER SEAL  
JURY TRIAL DEMANDED

12-cv-02870

Judge James F. Holderman

Magistrate Judge Michael T. Mason

**COMPLAINT**

**I. NATURE OF THE ACTION**

1. This is an action to recover damages and civil penalties on behalf of the United States of America under the False Claims Act ("FCA"), 31 U.S.C. §§3729 *et seq.*, as amended.

2. The causes of action under this Complaint arise from false statements, records, and claims by Defendant, Chrysler Group, LLC, doing business as Chrysler, Jeep, Dodge, Ram, SRT, and Mopar, and/or its agents, and employees, in violation of the FCA. Chrysler Group, LLC, and its entities are hereinafter referred to as "Chrysler" or "Defendant." These violations of the FCA involve the presentation of false or fraudulent claims, the use of false records or statements, and/or the concealment of an obligation to the Government.

3. This Complaint is based on Chrysler's actual knowledge of, deliberate ignorance of the truth or falsity of, or the reckless disregard of the truth or falsity of statements pertaining to vehicle powertrain warranty coverage concerning Chrysler vehicles, model years 2004 and 2005, purchased by the Government prior to July 26, 2007.

4. Chrysler knowingly presented false claims to the Government in the following ways:

- a. By making false statements to the Government during negotiations for the purchase of Chrysler vehicles, or the inclusion of Chrysler vehicles in those made available under the Federal Property Management Regulations, 41 CFR 101-26.501, in that parts and labor associated with the repair of the vehicle's powertrain would be covered under a powertrain warranty,<sup>1</sup> after the base 36 months or 36,000 miles warranty expired, knowing that such coverage would likely be declined by Chrysler.
- b. By submitting claims to the Government, for parts and labor, that falsely stated that certain parts and labor were not covered under the vehicle's powertrain warranty, when in fact the parts and labor were covered under the vehicles powertrain warranty.
- c. By making false statements to the Government that certain parts and labor were not covered under the vehicle's powertrain warranty, in that Defendant stated that certain parts and labor were not covered under the vehicle's powertrain warranty, but did not indicate so on the claim, and such statement would have been material to a false or fraudulent claim.
- d. By failing to advise the Government that certain parts and labor should be covered under the vehicle's powertrain warranty and such statement would have been material to a false or fraudulent claim.

---

<sup>1</sup> The exact warrant coverage may vary based on the year and type of Chrysler vehicle purchased.

- e. By concealing from the Government Chrysler's obligation to provide certain parts and labor under the vehicle's powertrain warranty.

31 U.S.C. §3729

## **V. THE DEFENDANT'S SCHEME TO DEFRAUD**

14. The Government purchases vehicles and included in the purchase price of the vehicles are warranties. For Chrysler vehicles, model years 2004 and 2005 purchased by the Government prior to July 26, 2007, the warranties that were included with the vehicles were a 36 month or 36,000 mile bumper to bumper warranty and an 84 month or 70,000 mile powertrain warranty.<sup>2</sup> The powertrain warranty covers the cost of labor and parts for the engine, transmission, and drive system. According to the General Services Administration ("GSA"), there were over 217,000 vehicles in just the GSA fleet in 2010 and over sixty thousand vehicles are purchased annually at a cost of over one billion dollars.

15. The United States has purchased thousands of Chrysler vehicles nationwide over the past 10 years. When a Chrysler vehicle is taken to a Chrysler dealership, or authorized

---

<sup>2</sup> See, footnote 1

service center, (a Chrysler dealership or authorized service center is hereinafter referred to as a “dealership”), for service or repair, the dealership enters the vehicle identification number (“VIN”) into a Chrysler warranty and owner information database. This generates a report called a “VIP Summary Report” which includes vehicle owner information, recall information, warranty information, warranty service history, and vehicle sales information. The type of warranty is shown by numerical code.

16. When a Government vehicle is taken to a dealership for service or repair, and the Government is informed by the dealership that the vehicle, and its parts and labor, are not covered under the powertrain warranty, because the VIP Summary Report erroneously indicates that the vehicle does not have powertrain warranty coverage, the Government can either have the vehicle repaired at the dealership with the Government being charged for parts and labor that should have been covered under the vehicle’s powertrain warranty, or the Government can have the vehicle serviced outside the dealership and be charged for parts and labor that should have been covered under the vehicle’s powertrain warranty. Either way, the Government is paying for parts and labor that should have been covered under the vehicle’s powertrain warranty.

17. Examples of Government owned Chrysler vehicles, model year 2005 purchased before July 26, 2007,<sup>3</sup> for which Chrysler knowingly has or is wrongly refusing to provide powertrain warranty coverage are provided in paragraphs 21 to 35.

18. Exhibit 1 [5B304800 (partial VIN)] is a vehicle purchased by the United States General Services Administration (“GSA”) and being used by the United States Coast Guard (“USCG”). The VIP Summary Report for this vehicle shows a powertrain warranty of 36

---

33. For additional examples see Exhibits 16 – 37.

34. Defendant Chrysler's failure to provide powertrain warranty coverage to Government vehicles harmed the United States by: (1) denying the Government of the benefit of its purchase of powertrain warranty coverage which is included in the purchase price of the vehicle; and (2) causing the Government to incur costs related to parts and labor when those costs should have been covered under the powertrain warranty.

35. Chrysler knew that Government vehicles were wrongly being denied powertrain warranty coverage in that it had actual knowledge of, or acted in deliberate ignorance or reckless disregard of the truth or falsity of the information concerning powertrain warranty coverage related to Government vehicles.
